SIR,

I have the honour to state that the present strength of the audit staff in this Municipality consists of only three members and it has been found impossible for this staff to cope with the work with the result that they have confined themselves mostly to the audit of the expenditure side and there has been practically no check on the receipt side for years together in some cases The members of the audit staff themselves have also been complaining of the extreme inadequacy of the staff and this has further been pointed out by the Special Officer deputed to examine the Municipal finances In the interests of Municipal revenue and work it has been found absolutely necessary to increase the strength of the audit staff and proposals were placed before the Managing Committee recommending that the audit staff be increased from three to seven members The Managing Committee at their meeting held on 9-9-1946 resolved that the audit staff may be increased from three to five owing to the exceptional increase in the volume of work, and the opinion of the Managing Committee was approved by the Municipal Council at their meeting held on 23-9-1946

As the audit section formed a separate unit by itself it was considered desirable that this section be supervised by a Senior Officer of the status of a II Grade

p t o

Superintendent The Comptroller to Government who was consulted in the matter has concurred with the above view

3 The subject was again placed before the Managing Committee and the Municipal Council who at their meetings held on 28-3-1947 and 26-4-1947 approved of the office note in the matter of appointment of one of the five auditors of the rank and status of a II grade Superintendent on a pay of Rs 118-6-160

4 Copies of the aforesaid proceedings together with a copy of the office note and the Comptroller's letter are forwarded herewith for favour of obtaining very early sanction of Government to the resolutions of the Council viz , -

1 Increasing the audit staff from three to five and

2 Appointing a II grade Superintendent on 118-6-160 as one of the five auditors to supervise the work of the audit staff
